## Special Interest Programs

We also have special programs in the following:

Arabic Language • Middle East Studies • Dance  
Art and Design • Music • Honors

## Internships

As a full-time student, you can spend eight hours each week in an accredited professional internship with one of Israel's leading organizations – all under the guidance of a special coordinator at RIS.

## Independent Study

Conduct research in an area of study that is not available in the normal framework of our programs with a three-credit independent study. A faculty member or expert in the field will mentor you and oversee your research.

# Enjoy Student Life in Jerusalem

We're located in one of the world's most historic, exciting, and diverse cities – and as the capital of the “Start-Up Nation,” Jerusalem is also home to a booming high-tech industry. You'll find lots of trendy shops, festivals, and restaurants here, with dining options for all tastes and budgets.

You'll have the chance to dive right in with a range of activities on campus, in the city, and across Israel. We organize events and field trips designed to immerse you in Israeli culture, including:

- Trips to famous locations like the Dead Sea
- Tours of picturesque and historic neighborhoods like the Old City
- Discussions with diverse groups, from Israeli minority groups to top government officials
