ALL LEVELS | SMALL GROUPS OF
MAXIMUM 8 STUDENTS PER CLASS**

Duration: 1 – 52 weeks

Destinations: All don Quijote schools

Spanish level: All levels

Frequency per week: 20 Spanish classes + 5 Spanish culture and conversation workshops + 5 private classes (in the Super Intensive Course)

Participants per group (maximum): 8 students

Intensive courses are perfect for students of all ages who wish to learn as quickly and efficiently as possible through constant interaction and practice. Students will learn how to use grammar in context through a wide range of activities including: reading, discussions, conversations, viewing documentaries, listening to songs, watching films, etc.

Our intensive Spanish Programs merge language and culture in small groups of 4 to 8 students per class. We believe that the best way to learn a language is by living it through its traditions, culture, business, music, art, architecture and most importantly its people. Because of that, both of our Intensive Spanish Programs include 5 cultural and conversation workshops per week where you will be able to gain a deeper knowledge of Spanish. The culture workshops have a maximum of 15 students per class.

Each class will take you one step closer to your ultimate goal: communicating with confidence in Spanish. For this reason we integrate a variety of skills in the classroom, and combine diverse tasks and activities in which the student is at the center of the activity. Our unique interactive teaching method ensures continual participation and active learning.

INTENSIVE 25

Intensive Spanish is our most popular course. This course consists of 4 Spanish classes daily from Monday to Friday and allows you to communicate with confidence and ease. Additionally, you will be offered one extra workshop each day covering a topic of cultural interest to guarantee your success in the language course.

SUPER INTENSIVE 30

If you would like to achieve your language goals more quickly, this program is the perfect choice! The Super Intensive Spanish 30 Program includes 20 intensive group classes, 5 Spanish culture and conversation workshops plus 5 private or semi-private classes per week. You will have a total of 30 classes of language lessons a week (20 classes Intensive Spanish in the morning or afternoon + 5 extra cultural and conversation workshops + 5 private or semi-private classes up to 4 students).

OFFICIAL EXAM PREPARATION

Obtain an internationally recognized official diploma certifying your Spanish language level. This is particularly important if you wish to study in a Spanish university or work in/with a Spanish-speaking country.

DELE EXAM PREPARATION

The DELE (Diploma of Spanish as a Foreign Language) is the only Spanish certificate for non-Spanish speakers officially recognized by the Spanish Ministry of Education. There are 6 levels/exams, from A1 to C2. don Quijote is an official DELE examination center and offers three types of DELE preparation courses. You can either prepare for the official DELE Exam with our Intensive DELE 20 Exam Preparation Courses, add five DELE preparation classes per week to your intensive, or take private DELE preparation classes.

Furthermore, if you take a 12-week Spanish course in addition to the 4-week DELE 20 Exam preparation course with at least 90% attendance and end up not passing the exam (at the same level of your course) then we will give you an additional 4-week course for free and pay your re-examination fees! A very high percentage of our students pass these exams with great success.

CHAMBER OF COMMERCE EXAM PREPARATION

This exam is officially recognized by the Chamber of Commerce of Madrid and the University of Alcalá. It has considerable international value, giving you easier access to the job market and boosting your career potential in business. If you are interested in obtaining a recognized qualification in Spanish Business, don Quijote offers you the opportunity to prepare this exam through a 4-week Intensive Business course.

SIELE EXAM PREPARATION

SIELE certifies students' Spanish language proficiency through four tests that evaluate different linguistic skills: reading comprehension, listening comprehension, written expression and interaction, and oral expression and interaction. Scoring corresponds to the European Council's common European Framework of reference for languages (CEFR).

You can take either the global exam which certifies for all four skills or the individual exams which certify each one. You can prepare for the official exam with our 2- or 4-week intensive SIELE Exam Preparation courses. Tests are taken online.

FEEL AT HOME

SIÉNTETE EN CASA

ACCOMMODATION

CAREFULLY SELECTED

Comfortable accommodation is an essential part of your study abroad experience. We understand the importance of having quality accommodation while you study abroad. We understand that something as simple as a broken shower can ruin an otherwise perfect day and distract you from what you are here to do – learn Spanish. We're here to make you feel cozy, secure and right at home.

100% SATISFACTION

You may change to a different family during the first week if you are not satisfied, because the most important thing for us is that you feel at home.

TOTAL INDEPENDENCE

You will always be given your own keys so that you can come and go as you please.

PERSONAL WISHES

Are you a vegetarian, allergic to house pets or would you like to be placed in a family with young children? These and other personal preferences should be communicated as soon as possible and we will do our best to comply.

FULLY EQUIPPED

In selecting host families, we do not look for luxury and comfort in the material sense. Nevertheless, you can count on personal attention, help and advice. You should not expect too much luxury in a student apartment/flat either, although, you will of course have all the necessary amenities.

LESS THAN 30 MINUTES

Your accommodation will be located very close to your school. We have several shared apartments and residences available in most cities which are all just a 5-15 minute walking distance from the school and are all located in the best areas in the heart of the city. Host families are located a maximum of 15 minutes walking in small cities and 30 minutes in large cities from the school, either walking or by public transportation.

ARRIVAL TIME

Arrival time for all accommodation options is after 12:00 noon on the Sunday before the course starts.

Accommodation must be vacated by noon on the Saturday after your course has finished.

If you arrive a day earlier, or if you want to stay a day longer, get in touch with your don Quijote office to make the necessary arrangements.

PRIVATE AIRPORT PICK-UP SERVICES AND BUS OR TRAIN STATION

Traveling alone?

Your first time living abroad? Would you feel more secure knowing that someone will be waiting at the airport to take you to your new home? You can reserve a 24-hour private pick-up service at an additional cost if you prefer to be picked up directly from the airport, bus, or train station. Just let us know in advance and we will be there!

STUDENT ACCOMMODATION

DEEPEN YOUR STUDY ABROAD EXPERIENCE

HOMESTAY

HOST FAMILY

Most of our host families have worked with us since the very beginning, which says a lot about us. The families know from experience what the role of a good host is. Accommodation with a host family allows you to get the most out of your program by truly integrating yourself into local life. Experiencing real Spanish life everyday will help you quickly improve your Spanish skills. The word "family" should not be taken too literally because your family could be a single parent who takes in students because he or she enjoys the company or any other type of family. Also, keep in mind that many families live in apartments/flats rather than houses. Students will have their own keys so that they can come and go as they please. Also, phone calls can be received during your homestay.

Choose from accommodation with half board (breakfast and either lunch or dinner) or full board (breakfast, lunch, and dinner). Lunch is normally around 2 p.m. and dinner is usually served around 9 p.m. Keep in mind that eating customs and cuisine may differ greatly from your regular habits.

PRIVATE

APARTMENT

This type of accommodation is ideal if you want to maintain your independence and enjoy a touch of 'luxury'. In every city, there are rooms of varying sizes and apartments from studios to multi-bedrooms.

Apartments are fully furnished and equipped with a kitchen, bathroom, and all the necessary facilities. Internet access and Wi-Fi upon request.

These apartments are located in the cities' most central and fashionable districts.

HOTELS

Hotels are the best option for the urbanite and for those who love comfort. Our staff will be happy to share their knowledge of the best nearby hotels and assist you in a pleasant stay according to your needs.

STUDENT RESIDENCE

RESIDENCE HALL

If you are looking for an inviting and well-equipped stay just a quick walk from your classroom, our student residences may be the ideal accommodation for you.

Our Spanish student residences have a youthful, international feel and offer you all you'll need in one building: laundry facilities, TV, prepared meals or shared do-it-yourself kitchens, and areas for studying and socializing. All of our student residences in Spain offer individual, shared and triple rooms, Wi-Fi, shared TV, shared living/dining rooms and washing machines. Bed linens are provided, but you have to bring your own towels.

SHARED STUDENT APARTMENT

SHARED STUDENT FLAT

In shared student apartments/flats you share a apartment/flat with four or five other students. We always do our best to accommodate you in a student apartment/flat with students of different nationalities. However, the common language is typically English. We suggest that you reach an agreement with one another to speak as much Spanish as possible.

Although the student apartments/flats are not luxurious, they are equipped with all the basic facilities (a bed, table, chair and a closet). Each student apartment/flat has a living room, a television, a fully equipped kitchen, a washing machine and an iron. The kitchen and bathroom are shared and cleaning is the responsibility of everyone. In student apartments telephones are not provided but calls can be easily placed from public phone booths, or personal cell (mobile) phones.

CULTURAL LIFE

VIDA CULTURAL

IMMERSE YOURSELF AND ENJOY

At don Quijote we believe that learning a language is so much more than just grammar and memorization.

In order to master non-verbal as well as oral communication it is necessary to have a solid understanding of the culture. In order to achieve this, we offer complementary theoretical and practical courses and workshops in order to introduce students to a wide range of cultural activities and situations.

These cultural lessons may include movies, writing, specific discussions about communication topics, and other cultural activities such as singing or dancing.

We also organize weekend excursions to surrounding cities and attractions that vary by school and location. Additionally, the school organizes language exchanges called "intercambios" between students and native speakers to practice language skills outside the classroom.

WHAT I LOVE ABOUT ALICANTE

"Couldn't get enough of Alicante and this experience! The city is beautiful and has a great beach and a lot of fun things to do. The teachers were amazing and supportive the whole way through. They organized activities outside of our class schedules that really helped me understand Spain a little bit more and were just a wealth of knowledge! I loved my host family. We would sit down for a homemade lunch every day and talk politics, current events, or just about life... and then siesta. AMAZING ARCHITECTURE

ABOUT SALAMANCA

The province of Salamanca is situated in the west of Spain, bordering with Portugal. The city is large enough to be able to offer the advantages of a proper city, but at the same time it has the warmth and friendliness of a town. The Spanish that residents of Salamanca speak is often considered the "purest" form of Castilian Spanish spoken in Spain. For this reason Salamanca is enormously popular with people all over the world who want to learn its language. Contacts are made easily. You don't have to arrange to meet as you are bound to see everyone in the "Plaza Mayor", one of the finest squares in Spain and known as the living room of the "Salamantinos". While it may be tempting to keep to fellow don Quijote students, Spanish university students are everywhere and you'll encounter them everywhere you go.

Spain's fourth-largest city and the capital of Andalusia, Seville still maintains the warmth and friendliness of a small town. To say that Seville possesses a rich history would be an understatement: it has seen the glory of the Roman Empire, the luxurious sophistication of the Moors, and the Christian "Reconquista", which eventually gave the city what is now the largest cathedral in the world. CUBA

ABOUT **HAVANA**

Havana is a city of faded glory but also one of unbridled high spirits; a city where little is allowed but where much more is possible. After years of undeniable decline, this impressive metropolis, now included in the UNESCO list of World Monuments, is rising like a phoenix from its ashes.

Havana is a melting pot of cultures and races, an open-air museum under the strict direction of Castro, it is a city that you must learn to appreciate. Apart from the picturesque colonial inner city, the “Playas del Este” and the famous “Malecón” (the immense boulevard that most consider to be Havana’s living room), you should make time to discover “Vedado”. This is the part of Havana where the host families live and where you will find many Art Deco buildings that would be considered national treasures in many other countries.

OUR COLLEGE

Our partner schools in Cuba are unique in that they are not held in one central building! Your classes will take place either in your teacher’s home, in the home of your host family or, for certain

mini-group courses, in a Cuban cultural center. In all three cases, you will learn Spanish surrounded by native speakers and with well-trained, highly educated Spanish teachers.

WHAT WE LOVE ABOUT HAVANA

Havana is a place where the infectious rhythms of “son” and “salsa” linger in the air, where friendly faces beckon and make sure that you’re not the only one not swaying to the beat, where poets find their inspiration, and where poetry and song is ensconced in everything you see. GUANAJUATO

COLONIAL BEAUTY

MEXICO

ABOUT **GUANAJUATO**

The city of Guanajuato, at 1,996 m above sea level, is one of the most important historical and cultural colonial cities in Mexico. Guanajuato is located in one of the richest silver mining areas of Mexico, and is well-known for its wealth of fine colonial era Spanish architecture. In 1988, UNESCO declared Guanajuato and the surrounding silver mines a World Heritage Site. The city was originally built over a river, which flowed through tunnels underneath the city. However, after years of raising buildings to avoid the repeated flooding, in the mid-twentieth century engineers built a dam and redirected the river into underground caverns. The tunnels were lit and paved with cobblestones for automobile traffic, and most of the cars driving through the city today use this underground road. It is one of the most noticeable features of the city. Each October, Guanajuato holds the "Festival Internacional Cervantino", an international festival of the arts named for Miguel de Cervantes.

OUR **COLLEGE**

Our school is located right in the city center in the "Barrio Pastita" only a 10 minute walk from the "Teatro Juárez".

The school has 15 classrooms and a capacity for 110 students/day. Other

facilities include an interior patio, a teachers' room, a students' office, a multimedia classroom and a recreation area.

WHAT WE LOVE ABOUT GUANAJUATO

As a small, quiet university city far from the tourist crowds of Cancun and Cuernavaca, Guanajuato is the ideal spot to study Spanish in Mexico. It will charm you with its architectural and cultural wealth. The international airport, less than half an hour away, provides the city with excellent connections to other cities in Mexico and to the rest of the world.
