CADIZ

Founded by the Phoenicians over 3,000 years ago, Cadiz is considered to be the oldest existing city in the western world. Due to its prime location on a peninsula-island, Cadiz has long been one of Spain's premier ports. While its famously wild Carnival celebrations have certainly put Cadiz on the map, this city's biggest draw is its laid-back, easy-going atmosphere. Great beaches, sweeping views of the sea and long, palm-lined promenades complement the town's lively bars, fantastic museums, bustling commercial activity, and jaw-dropping Cathedrals typical of any prized European city. Cadiz is in a league all of its own... it's no wonder tourists and residents alike find it so hard to leave!

"From the very first day, I felt right at home, exceeding all my expectations. I loved the great classrooms and small groups... big, light rooms create a friendly and cozy atmosphere. I miss the city, the teachers and the friends that I made in Cadiz every day!"

GRANADA

You will fall in love with Granada right away. It has an undeniable energy complete with beautiful Moorish castles, Christian cathedrals, unique homes built inside caves and hidden cobblestone streets at the foothills of the snowcapped Sierra Nevada. Francisco de la Caza, a Mexican poet, famously captured our sentiment in his quote: "Give him alms, woman, for there is nothing worse in life than to be blind in Granada." Besides its history, architecture and beauty, what truly makes Granada an ideal destination to study Spanish is the local Andalusian people, who are laid-back, friendly, warm, welcoming and always up for party. Sierra Nevada is a great ski resort and the beach is less than one hour away. Our recommendations? Go out, get lost and explore this magic city!

“Granada is a very special and welcoming city where you can walk everywhere. My favorite place, without a doubt, was the Mirador de San Nicolás (lookout), with views of the magnificent Alhambra and the city. I also won’t forget how generous the bars were with their servings of tapas... I’m going home feeling so alive!”

MALAGA

Malaga is Spain at its best: sunny, lively and fun. You'll wake up to clear blue skies, the golden sun and the refreshing scent of green palm tree leaves and the Mediterranean's salty air. It is a city where you can explore ancient ruins and go out for an avant-garde meal all in the same day. It has been reinvented in recent years without losing any of its history or old-world charm. From clapping your hands and swishing your skirts (or stomping your feet) along with the jaw dropping flamenco you'll see; to savoring a cup of gazpacho so bursting with flavor you wouldn't believe it's made from so few ingredients; to exploring the incredible Spanish art at the museums that fill the city; to getting your hands dirty on a hike into the beautiful surrounding hills... Malaga is a place that will exhilarate you as you learn Spanish.

“I was lucky to have been able to learn Spanish in one of the school’s outside classrooms since the weather and the beaches were great. The best part of learning Spanish in Malaga is being able to interact with so many Spanish people from there. The people there are very open and friendly!

It was a dream: a beautiful old city and beach.”

SALAMANCA

Salamanca's sandstone buildings glow golden throughout the day, reminding us that underneath its lively college atmosphere it has a remarkable history that dates back to the third century. As a relatively small city, Salamanca is conveniently walkable, full of impressive sites and alive at all hours of the night thanks to Spain's oldest university and its Spanish and international population. And great news for Spanish learners-most people consider the dialect spoken here to be the purest form of Castilian! Located just two hours from the capital city of Madrid and just under three hours from Toledo (another UNESCO World Heritage Site) Salamanca is the perfect city to explore nearby landmarks and surrounding villages, mountains and lakes.

“My time at Enforex was a truly amazing Experience. It was not just a language school, but a diverse community where people of all ages, backgrounds and nationalities brought a story to tell. We eventually learned how to tell these stories in Spanish, and could even use the correct conjugations!”

VALENCIA

Valencia is a city that will enchant you with its young, hip vibe and then pull you deep into Spanish with its history, tradition, pride and old-world Spanish feel. Amazing street art juxtaposed with incredible ancient architecture give you a sense of the artistic side of this city; fields filled with fresh fruit and vegetables and horse-drawn carriages give you glimpses into Spain's past; saffron-bright paella and cool, sweet horchata teach you Spanish through taste. From the indescribable light in the afternoons, to its heart pounding festivals (la mascletà during las Fallas is something that can only be felt), to the captivating, Star-Wars-picturesque City of Arts and Sciences, Valencia is a place where you will learn Spanish through experience.

“When it comes to the school, I loved that there was so much natural light in the classrooms with a nice garden and it is next to the University of Valencia. When it comes to the city, I decided to choose Valencia because it was a big cultural city with nice beaches but relaxed at the same time. The teachers brought us to new places all the time, each one more beautiful than the last!”

LANGUAGE CLASSES

SPANISH OR ENGLISH CLASSES

Enforex has developed its own teaching methodology which has proved to be very successful. Our teaching approach is designed to build each student's confidence and fluency in speaking Spanish naturally and spontaneously.

This teaching methodology is inspired by project-based learning which develops not just linguistic skills in the context of language immersion, but also essential strengths such as critical thinking, creativity and teamwork. In addition, we offer a great framework to make language learning more fun and enjoyable at any age.

EXCEPTIONAL TEACHERS

We know the difference a great teacher makes in language learning. All of our teachers hold specialist teaching qualifications and have an average of eight to ten years of teaching experience. Their enthusiasm, creativity and dedication to students' success is what makes Enforex teachers stand out.

EARN A LANGUAGE CERTIFICATE

Each student will receive a certificate and detailed evaluation on their last day of camp.

INNOVATIVE AND PERSONALIZED TEACHING METHODOLOGY

Our proven teaching method is based on project and action learning. A hands-on method where students gain confidence and enjoy learning Spanish while working on real-life projects.

Students will work in teams, brainstorm about their project, evaluate solutions, assign roles to each member, decide on the media in which to present the project (video, photos, poster, presentation, etc.), choose the materials needed, budget and manage their time. Meanwhile, they learn and improve their leadership skills, teamwork, communication skills, emotional intelligence, and confidence.

CHOOSE YOUR PROGRAM

RESIDENCE CAMP

The residential stay embodies the essence of our summer language camp philosophy: by living and being mixed with 60% Spanish and international students, studying, playing and practicing languages together 24 hours a day in a totally multicultural environment, campers will learn interpersonal and linguistic skills to last a lifetime. When they choose our 'star' program, Spanish and international campers are only separated during the morning language classes.

DAY CAMP

This option is perfect for campers who live nearby or are traveling in Spain with their families. Students will be able to enjoy fun activities, language classes and new international friends during the day and return to their families in the evening. Students still reap the same great benefits as overnight campers when they are at camp.

HOMESTAY PROGRAM

Students 14 years of age and up can choose to become part of a Spanish family with our homestay program. This is a great option for students who are interested in a truly authentic Spanish experience. All of our enthusiastic families are carefully selected in order to ensure that they share the same core values as we do and are friendly, welcoming and passionate about helping our students learn and grow from their Enforex summer.

SALAMANCA

"The best part for me was being able to meet people from all over the world in one place. I learned more Spanish in two weeks than in my whole life in school classes back home. My roommate, Jordi, was a really cool guy from Barcelona. They were great weeks. And I loved Salamanca... it is gorgeous." WILLIAM, United Kingdom | 10 years old

Known as much for its colonial architecture as for its world-class baseball players, some of the best coffee in the world comes from the Dominican Republic and, like a good cup of java, it's heady and smooth and at the same time energizing and exciting. The country makes up two-thirds of the island of Hispaniola and is located about 600 miles southeast of Florida. A natural gateway to the Americas between the Panama Canal and Central and South America, this landmass was first discovered by Columbus on Christmas Day, 1492. A perfect setting to learn Spanish!

Even with the many tourists that visit, Sosua remains a tranquil and intimate fishing village. What's its secret?
